Safe to say it was a huge successful 🙌
@TejasKumar_ is a phenomenal teacher. He walked me through everything and we ended up migrating the majority of the codebase to @typescriptlang within about 3 hours 😄😄😄
I am now a fan of TypeScript!
JavaScript Joe @jsjoeio
Join @TejasKumar_ and I where we're going to learn how to add @typescriptlang to a @gatsbyjs project twitter.com/TejasKumar_/st…

Design systems apocalypse the movie:

The year is 2022. A world without design systems. 98% of the population is unemployed. Everything is falling apart, but one guy has the idea to use the same button in three places again, writes a medium article, and saves the world.

Takeaways

Takeaways

- **Static Type Analysis is Valuable** 🤝 ✍️ 📈

- **Working with Monaco**
  - Run workers in separate threads
  - Inject type declarations at run time

- **Working with Hooks**
  - Pass mutable references via `useRef`

Takeaways

- `Learning === Hacks`
- `!(one tool for all)`
- Docs Contributions are Contributions
